Ontdekkers Park South Blockwatch SEPTEMBER 2017

24 HOUR NUMBER - 078 813 1391

### MEET N GREET IN MELVILLE STREET

The Committee decided it was time to meet all our members again, update their information and try and sign up non-members. Melvile Street was the perfect place to start. So on the 23rd September, at around 9.30 am we set up our gazebo on the pavement of a very long standing member and patroller, Cyril Montagu. Of course the same "old" faces appeared in support, but we were thrilled when a new familly arrived. More information on them further down the page. With a cool breeze blowing to ease the sudden heat we had been sent, Bernard en troupe set off down the road.

Lex and Teresa stayed at the Gazebo to "man" their station!

The upside to the morning was signing up a new member. Under the shade of the gazebo once more, we had some members come and have a chat.

We had a gentleman stop and ask to join but unfortunately he lived just out of our area, but we assured him we would pass

his details on to the neighbouring blockwatch. We then had a concerned citizen stop and say when putting in petrol she heard a dog crying, this was coming from a container at the petrol station. In the heat of the day, this was not a good idea. So Teresa and Nikki jumped in the car to investigate – they were informed there had been a dog that wandered between the cars and the petrol attendants were worried he would get knocked down, so they put him in a 'safe place'. Fortunately his owner came looking for him and so he was already back home safely. We were very thankful to the attendants for their thoughtfulness towards the dog and delighted that there are still good people in this world.

A huge thank you to TJ's Convenience for the tasty burgers that we ordered for all present and for the sponsorship of the colddrinks. How to ensure the success of your function = make sure you have a tasty takeaway store near by!!

So Melville was the first of our many streets that we will be taking a stroll in. In the meantime if you have changed your cellphone number or your email address, please let us have the new details.

Keep your eyes peeled – the next street could be YOURS......

#### NEW MEMBERS, NEW PATROLLERS

We welcome Nikki Aiton - our new Street Captain Co-ordinator and patroller, her partner Dale O'Moore - new patroller and Michaela Aiton who will be administering the facebook page. Thank you guys for joining us on our Meet n Greet in Melville Street. Welcome to our new patrollers: Wesley Mooi from Juliana Street, Anita Dos Santos and Dave McMahom from Georginia Street.

Thank you members for responding to our call for more patrollers. Visibility is the best way we can keep the "unwanted" off our streets.

If you have been thinking about patrolling, come on join us – all we ask is one hour a week.

Grab a mug of coffee, or get an ice-cream and cruze the streets, it really is fun!
